

Be One of My Own

A E A E
Come out of the shadow; out of the rain
A E B7 A E
Close to the fire, close to the flame
 A E A E
There's nothing to do now, nowhere to be
 A E B7 A E
I've waited for you; now come closer to me

c#m B7 A E
Come into the circle, be one of my own
c#m B7 A B7
My heart is your castle; make it your home

A E A E
Enter my court as a fortunate slave
 A E B7 A E
Your chains have been broken; your debts have been paid
 A E A E
So dance in the Silence, let your heart sing
A E B7 A E
Come to the garden; walk with your king
