

Mehera: To the Glory of Love

E B A E
To the glory of love let all hearts sing
 B A B
Happy Birthday Mehera, Queen of Meher King
E c#m A B
Gentle breath of His mercy, song of His Silence pure
E c#m A B
Beat of His universal Heart: help us to love Him more, ever more

E A B E
To the glory of love, to the glory of love
E A B E
Let all hearts sing to the glory of love

E B A E
To reflect, dear Mehera, your supreme joy we learn from the flowers and trees
E B A B
And from the birds in your Meherazad garden who sing with every breeze
 E c#m A B
Wild flowers we saw like carpets unrolled when your Reunion gift poured down;
E c#m A B
Rain-streams danced round Seclusion Hill with nature in emerald gown

CHORUS

E B A E
Because Love sublime was made complete when He welcomed you to His world
 E B A B
We hear the thunder of His Name all around and the power of God is unfurled
E c#m A B
Now we are out in the open in the strong, unshaded Sun
 E c#m A B
The wings of good fortune protect us for the love of our Beloved One

CHORUS

E B A E
Today we celebrate your ecstasy born from Separation's pain
 E B A B
Beloved and beloved now are one --Earth's immeasurable gain!
E c#m A B
Bless us sweet Mehera that we may be with Him every step of our remaining way
 E c#m A B
In all that we do and say and think may we remember Him night and day
