

Pour Me Your Wine, Oh Meher

am G
I walked the streets in darkness
am G
Seeking my way home
am G
My head felt full and weary
C D
Sadness filled my bones

G D C
Pour me your wine, oh Meher
G D C D
Fill me with divine intoxication
G D C
Pour me our wine oh Meher
G C G
Forever in the wine shop of Your sweet love

am G
You led me to your tavern
am G
My worries disappeared
am G
I drank all that you gave me
C D
Quenched my thirst of years

CHORUS

am G
You say this world's a dream
am G
I'm sleeping through what's real
am G
Only you can wake me
C D
My heart is yours to steal

CHORUS

Becky Wightman & Cindy Lowe, August 92 / Not recorded

On a personal note: I've never recorded this song but I'd like to. Or maybe someone else will!
